

Second Annual Dr. Kenneth N. Addison Lecture for Multicultural Education and Social Justice

On behalf of the entire Addison Lecture Committee, I would like to thank everyone who supported this event and those who continue to support the Dr. Kenneth N. Addison Lecture for Multicultural Education and Social Justice and the student scholarships that we are working to establish in conjunction with this event.

The success of this event is due to the efforts and support of the Educational Foundations Program, the African and African American Studies Program, the College of Education, and the College of Arts and Sciences. Special thanks goes to Northeastern Illinois University students, Ms. Tayler Crimaldi and Mr. Erik Whitfield, for their initiative in identifying the main feature for this event.
